

*Helping ensure the people who feed you
everyday, get home safe every night.*

**GOOD DAY'S
WORK**
OSHA TRAINING FOR AG™

Good Day's Work provides three key deliverables:

1. Original, Ag-Specific videos on the main OSHA topics, plus agriculture's unique hazards.
2. A Customized, cloud-based platform to deliver the content to any device, anywhere for individual or group training with digital tracking of performance.
3. The ability to take all your current training and upload it to your company's platform to provide the same delivery, tracking and documentation as the Good Day's Work content.

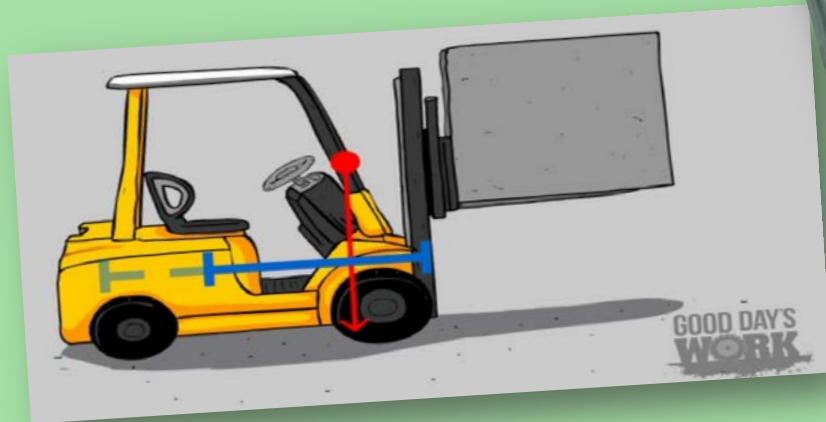

We fit with any ag business:

Unique Video Courses:

- Original Videography
- English and Spanish
- Concise—15 minutes on average
- White Board Animation
- Graphic Illustrations
- “Know-It-All-Paul”

- Familiarize yourself with your PIT
